

Faculty Awards 2018-19

These annual competitions require divisional review of nomination materials; the A&S deadlines are noted below.

Submit an electronic version as an email attachment to muasdeansofc@missouri.edu, naming each file as instructed in the guidelines for each specific award. Please submit the entire nomination packet as one high quality (e.g., 600 dpi) pdf file. Please use Adobe Acrobat Pro to optimize the file size (to keep the size as small as possible without loss of quality). To do this, do select: **Documents** → **Optimize Scanned PDF**.

After the A&S Faculty Awards Committee reviews the dossiers, the dean's office will let each department that submitted nominations know the results of the committee's deliberations and provide directions for next steps, which will include a paper copy of nomination materials.

Specific information on eligibility and nomination requirements for each award is on the [MU Campus Awards Web site](#).
