

# MITC SYMPOSIUM AND OPEN HOUSE

## APRIL 27, 2023

# REGISTER TODAY

## Molecular Imaging & Theranostics Center Symposium and Open House

## THURSDAY, APRIL 27, 2023

Explore our facility, learn what we do, and connect with experts representing various disciplines & institutions.

The Molecular Imaging and Theranostics Center (MITC) is Mizzou's lead resource for developing radiopharmaceutical-based diagnostic imaging and therapeutic agents. As the culmination of university-wide interdisciplinary collaboration, MITC supports the needs of investigators and advances research at MU, throughout the UM System and beyond.

**8-10 A.M. | OPEN HOUSE AND POSTER SESSION**  
AT MOLECULAR IMAGING AND THERANOSTICS CENTER

**10:30 A.M.-4 P.M. | KEYNOTE AND SYMPOSIUM**  
AT ROY BLUNT NEXTGEN PRECISION HEALTH BUILDING

SCAN THE CODE OR VISIT [MIZZOU.US/MITCSVP](https://mizzou.us/mitcsvp) TO REGISTER
